SURGE

The Wall-Magazine of EE Department, SURTECH (13th Issue)

(An activity under Institute of Engineers (IEI), India Student Chapter)

Theme: “New normal” to a “New future”: A sustainable response to COVID-19

This e-Wall Magazine shows how life found a new future while living a new normal life for the past one year..

Social Activities

It is our moral duty & responsibility to create a positive vibe around us as much as possible.

We should feed the poor & homeless.

We should care the birds & animals around us & feed them.

We should not waste food & water.

Our sincere thanks to all the doctors & health workers for devoting their lives for the service of the Nation.
